

Please help us restore the Grindstone wading pool.

Plans to restore the pool have begun! In order to have a beautiful mountain pool to serve children for another 30 years, the cost has been estimated at \$60,000.

Donations will go directly towards the restoration project.

Please request a donation envelope at the entrance gate to Grindstone Campground.

Or contact:

**Cradle of Forestry in America
Interpretive Association at 828.884.5713**

More information will be available at www.cfaia.org during the 2013 camping season.

Thank you for helping to create great experiences for visitors to Grindstone Campground!
